

A PIRATE'S  
FEST FOR ME!

Northglenn's fourth annual Pirate Fest was once again a rousing success. Over 17,500 people turned out for the two-day event on Sept. 14 and 15.

Some of the highlights included a 12-foot styrofoam crocodile built by Police Chief **Jim May**, plenty of happy children and adults wearing all kinds of pirate-themed attire, from regular swashbucklers to mermaids to steampunk vampires.

In the Cardboard Regatta, one group built a 10-person ship made out of cardboard and duct tape that weighed 650 pounds! They even made it across Webster Lake to finish in second place.

Thanks to everyone who attended! We look forward to seeing you at E.B. Rains Jr. Memorial Park next year!

Justice Center Now On Duty

► Facility Houses Police Department, Municipal Court

City Council members past and present, along with employees from the city, architect Hoefer Wysocki, general contractor FCI Constructors, D2C Architects and more celebrate the completion of the new Northglenn Justice Center on Sept. 11 with a ribbon cutting.

City leaders cut the ribbon to Northglenn's new Justice Center on Tuesday, Sept. 11. A crowd of approximately 300 celebrated as Mayor Carol Dodge recognized and thanked those who made the vision of the new facility a reality; noting the support of the community and the dedicated service of our police and courts. Once the building was officially opened, visitors were invited in for a full tour.

"We have created a new landmark for the north metro Denver region," said Dodge. "The Northglenn Justice Center stands as a shining example to residents, visitors and the metro north region that we are a proud city."

Police Chief Jim May noted, "I want to emphasize that this Justice Center is a community asset. The services rendered in this building are about creating relationships with our community partners and providing an outstanding public safety service to the people who live and work in Northglenn."

STARTING DATES

- Police Department operations begin at the Justice Center at 8 a.m. Fri., Sept. 28.
- The Municipal Court opens in the Justice Center on Monday, Oct. 1.

Fast Facts

- The building, located at 50 W. Community Center Drive, sits at the highest natural point in Adams County.
- It features SMART technology, such as light sensors and set points for temperature.
- Natural light pours in through 16,000 feet of interior and exterior glass.
- On the roof are 192 solar panels, creating a 65-kilowatt system.

The current facility, built in 1981 at City Hall, no longer supported the size of the

## AUG. 27, 2018

### Resolutions:

#### School Resource Officer Program Continued

CR-101 – Council unanimously approved an intergovernmental agreement with Adams 12 Five Star Schools to continue the school resource officer program for the 2018-19 school year. One officer is placed at Northglenn High School, Vantage Point High School/Crossroads Middle School and Northglenn Middle School, respectively, where they work with the administration, faculty and students. This partnership between the city and district has been in place for almost 30 years.

#### City Marijuana Tax Increase Question Added to Ballot

CR-102 – Council voted 4-3 to place a question on the Nov. 6, 2018 ballot to increase the city's special marijuana sales tax to 4 percent on the sale of retail and medical marijuana. Council would also have the ability to increase or decrease the tax by 1 percent each year without voter approval, as long as the rate does not exceed 10 percent. The current special marijuana sales tax is 2 percent. Revenue from the tax would be used solely for the construction of capital improvements and public facilities. ► *Yes: Leighty, Willford, Sauers and Esquibel. No: Dodge, Downing and Whitman. See Story on Page 4.*

#### Council Supports Mill Levy Increase for Library

CR-103 – Council unanimously approved a resolution stating support for a mill levy increase for Anythink Libraries on the Nov. 6, 2018 ballot and urged residents to vote for the item. Anythink Libraries serves much of Adams County, including Northglenn.

#### Council Supports Funding of Federal Conservation Fund

CR-104 – Council unanimously approved a resolution stating support for the full funding and permanent reauthorization of the Land and Water Conservation Fund. Originally created by Congress in 1965, a portion of receipts from offshore oil and gas leases are placed into a fund for state and local conservation and the protection of parks, forest and wildlife areas. The Land and Water Conservation Fund received \$425 million in 2018. Since its start, the state has received more than \$268 million from the fund.

#### Support for Tax Levy Increase for Urban Drainage District

CR-105 – Council unanimously approved a resolution stating support for, and urging residents to vote for, a tax levy increase for the Urban Drainage and Flood Control District on the Nov. 6, 2018 ballot. The district is responsible for restoring the natural and beneficial functions of all

the creeks, rivers and streams in the seven-county metro Denver area.

## SEPT. 10, 2018

### Ordinances - 1st Reading:

#### Code Updated to Conform with State Statutes

CB-1913 – Council unanimously approved on first reading an ordinance that would update the Municipal Code to reflect changes in the location of statutes relating to beer, liquor and marijuana that were recently moved in the Colorado State Statutes.

#### Municipal Code Related to Marijuana Initially Modified

CB-1914 – Council unanimously approved on first reading an ordinance that would modify section 18-14-8(c) and 18-14-26(c) of the Municipal Code. Section 18-14-8(c) addresses the source of medical marijuana offered for sale and/or distribution by licensed centers. It would be amended so the amount of medical marijuana offered for sale that must be grown at the business' own facility would drop from 70 percent to 50 percent immediately, and then to zero percent starting July 1, 2019. Section 18-14-26(c) would be modified so a facility could sell more than two ounces of medical marijuana to an individual provided it has been recommended by the person's physician. Also, it would become illegal to sell, give, dispense or distribute more than six immature plants to an individual, unless it has been recommended by that person's physician. The proposed changes align with regulations adopted by the state.

### Resolutions:

#### Updated UV Equipment for Wastewater Plant

CR-106 – Council unanimously approved purchase orders to Trojan Technologies and DC Frost Associates for an amount not to exceed \$566,773.09 for ultraviolet (UV) system upgrades at the Wastewater Treatment Plant. The city uses UV to help disinfect the wastewater.

## CALL TO WORDS

The city is looking for residents who have served in the armed forces to come speak at the upcoming Veterans Day event on Nov. 11 at the Northglenn Veterans Memorial near City Hall.

If you are interested, contact Michael Stricker at 303.450.8727 or [mstricker@northglenn.org](mailto:mstricker@northglenn.org). Please include your name and address along with your rank, branch and time in the military, and what you would like to talk about.

This Veterans Day event is sponsored by the Northglenn Senior Center.

#### New Power Systems for Intersection Traffic Signals

CR-107 – Council unanimously approved an agreement with W.L. Contractors, Inc. for an amount not to exceed \$178,822.75 for the 2018 Traffic Signal Improvements Program. The traffic control cabinets at 11 intersections will be retrofitted with new power systems that will keep the signals running for at least three hours in case of a power outage. Also, protected left hand turns will be implemented for westbound and eastbound traffic at the Malley Drive-Grant Drive intersection.

#### Northglenn Joins Opioid Litigation Group From State

CR-108 – Council unanimously approved a professional services agreement with Keller Rohrbach L.L.P. for legal services for opioid litigation. Northglenn is joining 12 other cities and counties in Colorado in hiring the firm.

#### Task Force Members to Process Federal Funds

CR-109 – Council unanimously approved an amendment to the North Metro Task Force (NMTF) intergovernmental agreement, where the individual members of the task force are now responsible for handling all federal forfeiture funds that come to the NMTF. The NMTF was created by Northglenn, Adams County, Broomfield, Brighton, Commerce City, Federal Heights, Thornton and Westminster in 1991 to combat illegal drug operations in those communities. Up to this point, NMTF received and processed federal forfeiture funds that became available due to their operations. However, changes in federal law no longer make this possible. These funds have been used to support about a third of the NMTF's annual funding needs, which was about \$1.5 million in 2018.

Honor for Local Dean

► University of Colorado-Boulder Gives "The Best Should Teach Award"

Adams 12 Five Star Schools

Adams 12 Five Star Schools is proud to announce that Northglenn Middle School's Benito Espinoza received the esteemed “The Best Should Teach Award” from the University of Colorado at Boulder on Sept. 6. Espinoza was one of only three teachers recognized for excellence in teaching, educational leadership and service.

Benito has been a integral member of the Northglenn Middle School (NMS) team since the 2013-2014 school year. Benito was an eighth-grade science teacher and member of the eighth-grade horizontal science team before moving into his new

role as dean of students at the start of the 2018-2019 school year.

He has created a vibrant and safe environment for learning in his classroom and school. He actively involves all students in learning through conversation and discovery and holds high expectations for mastering standards.

Additionally, Espinoza’s sense of humor puts students at ease. “Benito has been a rock in this school for many years,” said Grant Underwood, principal of NMS. “Not surprisingly, he is one of the most engaging, creative, dedicated, humorous, and well-respected staff members at our school. Just an all-around great person.”

CROSSING GUARDS SOUGHT

Adams 12 Five Star Schools is looking for volunteer crossing guards.

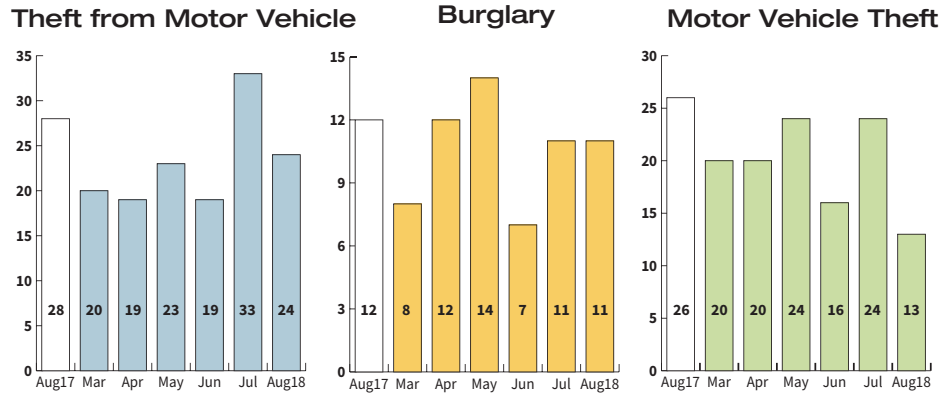

Crossing guards play an important role in helping children get safely to and from school.

If you would like more information about the role of a volunteer crossing guard or how to become one, please contact Karen Bannister at 720.972.4334.

Residents with a Colorado driver’s license or ID card issued by the Department of Revenue can register to vote online at the same web address. Voter registration can also be done in person at the City Clerk’s Office in City Hall, the Adams County Election Department and at motor vehicle locations.

## ALL IN A DAY'S WORK

The City of Northglenn celebrated Colorado Cities & Towns Week from Sept. 10 through 16 with big events like the opening of the Northglenn Justice Center and the annual Pirate Festival. But every day, city staff are performing services that are critical to the safety and wellbeing of our residents, from maintaining recreational facilities, to law enforcement, to cleaning up the sewers under our streets, as seen above. We look forward to serving Northglenn residents every day. Together we help make the city great!

## \$66.9M Proposed Budget

The proposed 2019 City Budget was presented to City Council on Aug 6. The proposed city budget is built on a strategic framework to meet the desired level of services by the community, invest in city infrastructure and build financial sustainability for the future.

The proposed 2019 Budget does not anticipate any new tax increase.

The chart to the bottom shows projected revenue for the eight funds that comprise the budget.

Overall, citywide revenues for the proposed 2019 Budget stand at \$55.5 million with city-wide expenditures at \$66.9 million. The personnel budget expects a 3.26 percent rise. This includes two new police officer positions. The General Fund, which includes salaries and day to day operations, is balanced.

A public hearing on the proposed 2019 budget is scheduled for Oct. 8 and adoption of the budget is scheduled for Oct. 22.

## FALL RODENT PREVENTION TIPS

With cooler weather, rodents start looking for shelter and food. Here are tips to keep them out of your home:

- Keep pet food inside.
- Put trash in bags and then in metal or plastic containers with tight-fitting lids. City trash carts work well. Keep the containers indoors, and put trash out only on pick-up day.
- Seal and block all cracks and holes larger than a quarter inch in diameter.

- Seal food in airtight containers and clean up crumbs and food spills immediately.
  - Loose papers and fabric make good nesting material for rodents; keep materials and belongings off floors.
  - Moisture is ideal for breeding. Repair leaking pipes and clogged drains.
- For more tips, go to [www.northglenn.org/rodent](http://www.northglenn.org/rodent).

TOP COMMERCIAL AND INDUSTRIAL  
PROPERTY CODE VIOLATIONS

With all the responsibilities that property and business owners have, the last thing on their mind is code enforcement.

In response, the Neighborhood Services Division, which handles code enforcement for the City of Northglenn, has put together this list of the most prevalent issues they see on commercial and industrial properties.

- Weeds
  - Grass taller than 8 inches
  - Lack of landscaping
  - Parking areas in poor condition
  - Snow and ice:
    - Sidewalks must be cleared of snow and ice 48 hours after the stop of snowfall. If the ice or packed snow cannot be removed without damage, sand or salt must be put down.
    - Snow is cleared off private property onto public roadways
- Fences, screens or retaining walls in poor condition
  - Materials stored outside are not enclosed and concealed by an opaque fence
  - Signs or posters in the public right of way\*

*\*If you are planning on putting up a business sign, please consult with the city's Planning Division first at 303.450.8739 or development@northglenn.org to make sure your plans are in accordance with the city's sign code.*

If you receive a notice from Neighborhood Services and either don't understand the issue or cannot fix the problem in time, please call them at 303.280.7876. That way, we can work together to find solutions that work for you and the community.

The goal of Neighborhood Services is to keep our parks, trails, neighborhoods and commercial areas beautiful. If you have any questions, please call 303.280.7876.

REPORT GRAFFITI IMMEDIATELY

If you see graffiti in Northglenn, call 303.252.3849 or use the Access Northglenn app IMMEDIATELY!

That's whether the graffiti is on public property or not. The sooner graffiti is washed off, the less likely that location will be vandalized again.

Zoning Code Draft  
Ready for Review

As part of New Code Northglenn, the city is rewriting its 40+ year old development regulations into a new Unified Development Ordinance (UDO).

The project has explored a series of contemporary land use issues with the aim of creating a new development code that will guide Northglenn into the 21st century.

At this time, the city is ready to present the Consolidated Draft of the UDO for review and comment by the public. It is available at [www.newcodenorthglenn.org](http://www.newcodenorthglenn.org). The three parts of this draft include:

1. Administration and Procedures — How are development and land use applications evaluated and approved?
2. Districts and Uses – What can I do on my property, and where can I do it?
3. Development Standards – What level of quality is required for development such as parking, landscaping and building design?

Throughout this process, the three parts of the code were discussed with a task force of community residents, the Planning Commission, City Council and

**Zoning Code Update Public Meeting**  
Wed., Oct. 17, 2-4 p.m. and 6-8 p.m., Northglenn Justice Center, 50 W. Community Center Drive

The city is nearing the final stages of New Code Northglenn, which will unify and reorganize all of the pieces of Northglenn's Zoning Code and subdivision regulations.

The city will be hosting two meetings in one day to provide information about the process, the document and how it affects landowners in Northglenn.

at public open houses. Their feedback was taken into consideration for this Consolidated Draft.

On the website you can find the substantive changes made to the earlier versions that are now reflected in this Consolidated Draft.

If you have any questions or comments about the process, results or how this document may affect you, please go to [www.newcodenorthglenn.org](http://www.newcodenorthglenn.org) or email [newcode@northglenn.org](mailto:newcode@northglenn.org).

Save-A-Lot Public Meeting

Thurs., Oct. 25, 6 p.m., Northglenn Justice Center, 50 W. Community Center Drive

Save-A-Lot is excited to come to town as the grocery store plans a late 2018 opening. Residents are invited to a community meeting to learn more about this Colorado-based, employee-owned company, and to discuss what types of products and services they want.

Child care is available for children ages 18 months to 12 years old. However, you must register in advance to guarantee a spot by calling 303.450.8709.

StartUp North Adams County  
Pitch Competition

3-6 p.m. Nov. 8, Armory Performing Arts Center, 300 Strong St., Brighton

Save the date for the first annual StartUp North Adams County Pitch Competition. This event brings together the top entrepreneurial talent from across Adams County to showcase the latest and most innovative business ideas. The competition will kick off with a keynote address by Lani Dolifka, CEO/President of Watermill Express, who will speak about her entrepreneurial journey. The public is invited to attend this free event. For more information visit [www.startupnorth.biz](http://www.startupnorth.biz).

New Wayfinding Signs  
at Industrial Parks

The city will be installing two new wayfinding sign kiosks to help motorists, pedestrians and bicyclists locate businesses near Northglenn's industrial parks.

If your business is located in the industrial park off Huron Street or Irma Drive, you may be eligible for the program. Businesses that choose to participate must submit an application, provide a design for their sign panel and submit a \$200 fee for fabrication.

If you'd like more information about this program, contact Jill Mendoza at [jmendoza@northglenn.org](mailto:jmendoza@northglenn.org) or 303.450.8938.

This wayfinding sign is on 104th Avenue near Melody Drive. ▶

License Granted for Colorado Air and Space Port

▶ Located at Former Front Range Airport in Adams County

Adams County

The Federal Aviation Administration (FAA) has granted a site operator license to Colorado Air and Space Port after a 180-day review period, the 11th such license granted in the United States. Colorado Air and Space Port will serve as America's

hub for commercial space transportation, research, and development.

"Facilities like Colorado Air and Space Port will be developed around the country and the world," said Mary Hodge, chair of the Adams County Board of Commissioners. "We'll be building a hub that connects Colorado to commercial and research opportunities across the globe."

Colorado Air and Space Port will accommodate vehicles making horizontal take-offs and landings. The vehicles will take off like traditional airplanes using jet fuel and fly to a special-use airspace where rocket boosters launch the craft into sub-

orbital flight. To land, the craft drops out of suborbital flight and lands like a traditional airplane.

The spaceport will also provide a boost to the state's economy by keeping the nearly 200,000 jobs connected to the aerospace industry in Colorado as well as creating new employment opportunities.

Gaining a site operator's license is the first step in a layered process. A space company will have to apply to be licensed as an operator at the spaceport, and the vehicle that company employs for suborbital flight will also have to be approved and licensed.

Located at the former Front Range Airport, the spaceport site contains 3,200 acres and is surrounded by 7,000 more acres of privately-owned industrial property.

"There are huge commercial development opportunities both on site and in the surrounding area," said Adams County Manager Raymond H. Gonzales. "When combined with other developments planned for the area, this part of Adams County is poised to become a major international commercial hub."

*Photos will NOT be returned unless you include a self-addressed envelope. You are also welcome to stop by City Hall to pick them up.*

## HOUSE BUILDING

Construction of the new Ralston House in Northglenn has shifted inside. More than 90 percent of the drywall has been installed and interior painting has started. Members of the Ralston House Board of Directors took a tour of the active construction site to showcase the progress of the construction. In the coming months the contractor will begin the demolition of the existing facility and begin grading/site work. Ralston House is a not-for-profit agency that provides a friendly and safe place for child and teen survivors of abuse to tell their stories and begin the healing process.

## Fire Safety Event at Northglenn Station

## North Metro Fire Rescue District

North Metro Fire Rescue District is kicking off October with special events for Fire Prevention Week.

On Saturday, Oct. 6, the fire district will host a Fire Safety Open House from 10 a.m. to 1 p.m. at the newly remodeled Station 63, located at 10941 Irma Drive in Northglenn.

The fire district will have its inflatable safety house set up for kids to learn about fire hazards in the home and prac-

tice crawling under smoke and evacuating outside. They will also get to practice with firefighters calling 911 and relaying their address and emergency.

As part of the event, North Metro Fire invites residents to tour the upgraded station and enjoy food and treats provided by the fire district. The district will also be distributing smoke alarms provided by Kidde to anyone needing one for their home.

For more information, visit [www.nmfr.org/fpw](http://www.nmfr.org/fpw).

SNOW STORMER ASSISTANCE  
WAITING LIST STARTING OVER

Starting this fall, the city will re-set the waiting list for people seeking assistance through the Snow Stormers program every year.

We're also looking for volunteers for the Snow Stormer Program. Not only will you get a great workout, you will be helping seniors and others who cannot physically shovel snow. You can clear the walks before or after work – as long as it is taken care of within 48 hours after the snow ends.

If you would like your home added to the list for Snow Stormer assistance, or if you would like to volunteer as a Snow Stormer, please contact Jenni Murphy at 303.450.8904 or [jmurphy@northglenn.org](mailto:jmurphy@northglenn.org).

## DRIVING WITH A CAUSE

To raise awareness for cancer, the Police Department had one of its SUVs wrapped in pink. The department participates in No Shave November every year to raise funds for cancer research. The wrap will stay on the truck through the end of the year. Thanks to SpeedPro Imaging of Northglenn for donating the materials and labor!

TRAFFIC CALMING  
MEASURES COMING

The city will be implementing temporary traffic calming measures on Claude Court, Melody Drive, Livingston Drive and 112th Place. These include speed humps and

radar signs. For more information on what measures will be implemented and where, go online to [www.northglenn.org/trafficcalming](http://www.northglenn.org/trafficcalming).

## County Breaks Ground on New Animal Shelter

## Adams County

Adams County Animal Shelter/Adoption Center (ACASAC) employees and volunteers, accompanied by Adams County Commissioners and the Adams County Manager's Office, celebrated the ground-breaking of what will be the new Riverdale Animal Shelter on Tuesday, Sept. 3.

"This new facility is becoming a reality because of the support from Adams County leaders and the community," said Mary Hodge, chair of the Adams County Board of Commissioners. "Staff and volunteers will have the opportunity to efficiently provide for all the animals in their care, making their temporary environment comfortable and stress-free as they await

Artist renditions of the new Riverdale Animal Shelter.

their forever homes."

The future 43,000-square-foot facility, which will be located on the south end of Riverdale Regional Park between E. 120th Parkway and Henderson Road, will have ample and modernized kennel spaces for cats and dogs, and additional housing for small mammals and exotic animals.

The expanded health clinic, improved noise abatement, and disease containment features will significantly decrease stress and illness for shelter animals and make for a better visitor experience.

Additional public parking, private adoption rooms, and a dedicated lost and found lobby will help streamline the

adoption process and improve efforts to reunite lost pets with their families. To better serve our community, a large multi-purpose room will allow for more frequent public vaccination clinics, behavior support for new adopters, and humane education programs for youth to learn more about animal safety and care.

"Every aspect of this new facility will allow us to serve pets and people with an exceptional level of care, compassion and excellence," said Stephanie Wilde, ACASAC director.
