Northglenn Celebrates a Ribbon-Cutting

Mochinut held its ribbon-cutting on Feb. 1. They leased 1,634 square feet at 421 W 104th Ave., Unit D and employ three people. This donut shop serves mochi donuts and rice hotdogs. The mochi donut is the happy union between Japanese rice cake (mochi) and American-style donuts, which originated in Hawaii. For more information, call 303.362.0604.

Be on the Lookout! Community Banner Program

Next month, Northglenn businesses owners may receive information from CGI Digital about the city's new Community Showcase Banner program rolling out later in 2024.

This program will replace the existing light pole banners located throughout the community, in about 50 different locations. The new banner designs will show off all the best things about Northglenn while allowing us to highlight participating businesses. Companies will be able to choose the locations they sponsor on a first-come, first-served basis.

Banner design is underway, and we'll be sharing more information soon! Contact [Allison Moeding](#) with any questions.

Interested in 2024 Northglenn Event Sponsorships?

Northglenn is proud to offer a well-rounded event sponsorship program that encompasses many events across different city departments. We have many packages available OR can write custom packages to fit your budget. Learn more by clicking on the button below or contact [Ashley Garst](#) to get involved.

Event Sponsorship Information

Looking for Northglenn Neighborhood Partners

The city's Flowerbed Partners program is looking for groups or individuals interested in helping plant and tend flowerbeds at parks across the city!

Also, you can help recognize some of your neighbors who go the extra yard to maintain their yard! The Northglenn Neighborhood Beautification Program needs three new judges to support areas in Wards 1, 2, 3, or 4. Judges must be individual residents of Northglenn.

For more details on either of these volunteer programs, please contact [Jenna Gragg](#).

Energy Efficient Lighting with Xcel Energy

Spring into savings by upgrading your business to energy efficient lighting. LEDs use up to [90% less energy and last up to 25 times longer](#) than traditional incandescent bulbs. Xcel Energy can help lower upfront costs and speed up the payback on a wide range of lighting efficiency improvement projects, including LED upgrades. Take advantage of the bonus rebates on business LED tubes and fixtures including:

- LED parking garage fixtures
- LED stairwell fixtures
- LED grow lighting equipment
- LED exit signs
- LED refrigerated case lighting
- And more!

See the full info sheet [here](#). Bonus rebates for LED tubes are applied at the point of purchase through LED Instant Rebate participating distributors on purchases made through September 30, 2024. Find a participating distributor at

businessledinstantrebate.com/Locator/Distributors.
