

Over 10,000 pirates and their friends entered E.B. Rains Jr. Memorial Park on Sept. 16 and 17 for Pirate Fest, and were treated to a fantastic world of buccaneers, sword fights, elaborate costumes, cardboard boats, mermaids and more! ## ■ NEW LOGO FOR CITY:

On Sept. 12, City Council voted to change our city logo.

The 2014 Strategic Plan includes a re-branding of the city with the possibility of a new logo, so now, after much planning and community research, one was adopted.

Council reviewed several options and ultimately selected the one that seems to suit our city...both what we are now and what we are becoming – a revitalized city with an eye on the future.

The new logo will start being used soon, so watch for it!

## ■ UTILITY BILL ASSISTANCE

**AVAILABLE:** The Northglenn Community Foundation's Utility Bill Program provides eligible Northglenn residents with a temporary, short-term payment of their city utility bill. Funds are applied directly to your utility bill and don't need to be paid back.

## Civic Center Master Plan Feedback

The community came out to give their feedback on the Civic Center Master Plan on Sept. 20 at the Northglenn Senior Center. The city has been working on the master plan since last summer with City Council and a consultant team. A conceptual plan has been developed, which includes municipal buildings with a mixture of residential and commercial uses. What would you like to see happen with City Hall, the Northglenn Recreation Center and Northglenn Senior Center? We want your input so we can understand what is important to you! Please visit [www.northglennciviccenter.org](http://www.northglennciviccenter.org) to learn more about the overall vision and what was presented at the event – maps, project timelines and presentations – then share with us what you think!

## Yard Prep Tips for Winter

## Aeration &amp; Fertilization

This is a great time of year to aerate and fertilize your lawn. This will make grass healthier and allow it to take more water up through the roots, which will also reduce water use.

Consider using a no- or low-phosphorus fertilizer. Also, please use only the recommended amount. Excess fertilizer can wind up in our waterways, where it is a pollutant.

## Yard Waste Recycling Center

Rather than filling your trash cart with leaves and branches, take them to the city's Yard Waste

Recycling Center. It's free for Northglenn residents to drop off green waste, including grass clippings, leaves and branches.

The center is open every Friday from 11 a.m. to 2 p.m. Through November, the center is also open every Saturday from 8 a.m. to 3 p.m.

The Yard Waste Recycling Center is located at the city's Maintenance and Operations Facility, 12301 Claude Court.

Please bring proof of residency when dropping off items at the center.

For more details call 303-450-4004 or go to [www.northglenn.org/yardwaste](http://www.northglenn.org/yardwaste).

## Free Landfill Day Oct. 15

## ■ Dispose of Items Too Large for Your City Trash Cart

Northglenn residents can dispose of items that are too large to fit in a trash cart – for free!

Free landfill day is from 7 a.m. to 2 p.m. on Saturday, Oct. 15. Take your items to Tower Road Landfill, on 88th Avenue just east of Tower Road in Commerce City.

To get to the landfill, take 120th or 104th avenues east to Tower Road, go south to 88th Avenue, then turn east.

Here are some rules for dropping off items:

- Only one load per residence.
- All loads to the landfill must be covered.
- Proof of residency such as a driver's license and/or current utility bill is required.
- Mattresses and box springs cost \$30 each to drop off.
- People bringing a pick-up truck or trailer face a gate charge plus taxes and fees if they bring more than 5 cubic yards of content.

Electronics, tires, car batteries, appliances with Freon, fluorescent light bulbs and hazardous liquids or materials are NOT accepted. Call 303-450-4004 weekdays from 7 a.m. to 3:30 p.m. for help with disposing of these items or for more information on free landfill day.

In March, City Council approved a resolution in support of the SCFD and its continued work in the city and across the metro region.
