

BEE
AWARE

Northglenn has a natural honeybee habitat – and it's in one of the most popular parks in the city. Honeybees built a hive inside one of the large trees by the southwest entrance of E.B. Rains Jr. Memorial Park. Recently, the city put up two signs providing information about the insects, how they benefit us and how we can help them thrive. The signs were funded by a grant from Adams County Open Space.

Sculpture Donation Made to City

"Tires and Spokes" Given on Behalf of Volunteer Northglenn Bike Program

The wheels of generosity keep turning for Northglenn resident Steve Austin.

He purchased 2016-17 Art on Parade finalist *Tires and Spokes* and is donating the sculpture back to the city on behalf of the Northglenn Bike Program.

Austin is an ardent volunteer for the group, which spends a day or so each week cleaning up and repairing bicycles so they can be given away to less fortunate area families.

"Tires and Spokes" will become the 24th piece of Northglenn's public art collection.

The final location has not been set.

"We're absolutely thrilled that one of our local residents not only volunteers his time for the bike program and Northglenn Senior Organization, but has also boldly supported Northglenn Arts through the purchase and gifting of public art," said Northglenn Arts and Humanities Foundation Director Michael Stricker. "We are humbled by his gesture."

Art on Parade is an on-loan sculpture program where six pieces are chosen each year to temporarily reside in Northglenn's E.B. Rains Jr. Memorial Park.

Tires and Spokes, by artist Sean Mueller of Rock Hill, S.C., is located at the northeast corner of E.B. Rains Jr. Memorial Park.

JUSTICE CENTER SITE

Motorists and pedestrians on the 112th Avenue Bridge can now see the sign designating the future location of the Northglenn Justice Center. Located just west of the overpass near the water towers, the center will house both the Police Department and Municipal Court. It's scheduled to break ground this spring and officially open in 2018. For more information go online to northglenn.org/justicecenter.

VOLUNTEERING OUTDOORS

FLOWERBED PARTNERS: Do you love planting and caring for magnificent flowers? The city may be looking for you! We need Flowerbed Partners to care for the beds at City Hall, the Northglenn Recreation Center and Larson Glenn Park, located at East 112th Avenue and Larson Drive.

BEAUTIFICATION JUDGE: Each year volunteers scour the city looking for the best looking yards in town. The yards chosen are honored at council meetings.

If you would be interested in helping with either of these, please contact Jenni Murphy at 303-450-8904 or jmurphy@northglenn.org.

Scammers Posing as Public Works Staff in Denver Metro Area

They're at it again! Thieves in the metro area are going to homes of residents pretending to be city personnel needing to test or check their water. Northglenn Public Works staff would not appear unannounced and ask to come into a resident's home.

If it is necessary to go into a resident's home, that would happen after communication with the resident by telephone or mail and a visit is usually at the request of the resident; an emergency situation may

be the only exception.

In addition, there would be two city staff people, not one; they would be wearing city apparel or a uniform, would be in a city vehicle and have a city ID to show if asked. Don't be a victim of this scam! Please know who you are letting into your home and that they are who they say they are.

Questions? Contact Evelyn Rhodes at 303-450-4074.

Focus on Healthier Food at City Concessions

New Choices Available Soon at Rec Center

The City of Northglenn will be phasing in healthier snacks and beverages in city-owned and operated vending machines and concession stands over the next three years.

As part of the city's commitment to improving access to healthy food in the community, it worked with Tri-County Health Department to assess current vending and concession offerings in city parks and facilities.

The city's Healthy Eating Active Living (HEAL) and SmartLiving committees then teamed up to find healthier alternatives. A taste test and survey conducted in December found community members overwhelmingly supporting the new healthier options.

The healthy food roll-out will start soon in the Northglenn Recreation Center. The goal is to have all the city-operated vending machines and food stands offering only healthy food by 2020.

Please note that this policy does NOT apply to any private businesses with vending machines or concession stands.

To see the full assessment or for more information about the HEAL committee, please go to northglenn.org/heal.

HEAL COMMITTEE SEEKS MEMBERS

Are you interested in improving the wellness of Northglenn residents?

Come join the city's Healthy Eating Active Living (HEAL) Committee. It's a joint city staff and resident group that looks at city policies to make it easier for residents to live healthier lifestyles.

They meet at noon on the third Tuesday of each month at City Hall, 11701 Community Center Drive.

PROPER FREON DISPOSAL

Be careful when disposing of appliances that contain Freon, such as refrigerators, freezers and air conditioners. There are several options in the area:

- ARCA, 877-341-2309, 5750 E. 58th Ave, Commerce City. No charge to drop off.
- Xcel Energy, 866-552-8755. Receive a rebate, but the fridge must still be working.

ON THIN ICE

North Metro Fire Rescue District firefighter A.J. Villegas rescued a small dog that had fallen through the ice of Webster Lake at E.B. Rains Jr. Memorial Park on Feb. 5. He passed the pup, named Turbo, on to Animal Control Officer Brian Kidwell to stay safe and warm. Turbo was reunited with his family. NMFRD and the city would like to thank the person who called 911 and did NOT try to go onto the ice to rescue the dog. If you ever see a person or animal fall through the ice, please call 911 immediately.

Neighborhood Services Seeks to Aid Residents

► Code Warning Notice Not A Citation or Fine

You spot a paper notice on your front door. It's a warning notice for a code violation from the city's Neighborhood Services Division. You've never received one before and aren't sure how to react. First – don't panic.

This is just a warning notice – not a citation or a summons and complaint, and certainly not a fine. The warning notice simply states what violation the Neighborhood Service Officer saw and how long you have to correct the problem.

Most of the 140 or so violation notices that Neighborhood Services gives out every month are for things like litter, signs on the side of the road and broken down vehicles. Almost 90 percent of the violations are quickly dealt with by residents, and the city would like to thank you for that!

If you receive a notice and can't fix the problem in the allotted amount of time, please contact Neighborhood Services immediately at 303-280-7876. That way, we can work together to find a solution that works for you, the city and the neighborhood.

ELIGIBILITY

To be eligible for the lock box program, participants must:

- Be a resident of Northglenn
- Live in a private home or apartment
- Have significant medical assistance needs or be a senior who lives alone
- Provide a spare house key
- Sign a release and agree to return the lock box if no longer participating in the program

The Key to Fast Help

► Lock Box Gives First Responders Access When Doors Locked

Emergency personnel may lose critical minutes when a house is locked preventing first responders from getting inside.

There is a solution – the Police Department provides lock boxes, similar to those used by real estate agents, to hold a spare house key. When emergency personnel are called to that home,

dispatch can provide the combination if there's no answer at the door.

The lock box hangs in a secure location at the residence, and there is no cost to the resident.

The series, voted on by the public, includes three new animated favorites and a brand

Volunteers Needed for Canal Clean Up

► 8:30-11 a.m. Saturday, March 18

Looking for a way to get outside, enjoy some great exercise and help out in your community?

The city is looking for more than 100 volunteers to help clean canals, trails and parks. In 2015, over 300 bags of trash were collected and a lot of large debris removed. (Last year's event was snowed out.)

"We have an extra year to make up for, so we really need everyone to be out there in full force," said Community Outreach Coordinator Jenni Murphy.

Check-in at the Police Department entrance, 11701 Community Center Drive.

At 11 a.m., lunch will be provided at E.B. Rains Jr. Memorial Park, 11800 Community Center Drive.

To register, call the rec center at 303-450-8800 or go to www.northglenn.org/recxpress and use code 25749. For more about volunteering or serving as a crew leader, contact Murphy at 303-450-8904 or jmurphy@northglenn.org.

"...we really need everyone to be out there in full force."

– Jenni Murphy,
Community Outreach Coordinator

Everyone is invited and encouraged to participate in the clean up.
