With the 4th of July 4 holiday drawing near, the City of Northglenn would like to remind residents that setting off fireworks of any kind is forbidden within the City limits. The City's Uniform Fire Code prohibits the use or possession of any fireworks that leave the ground or explode.

As part of the annual July 4th Family Festival, the City will be hosting a fireworks display at E.B. Rains, Jr. Memorial Park and encourages residents to enjoy the firework display administered by a licensed pyrotechnician. Bring the whole family and come down early to get a good seat, the show will begin at 9:30 p.m.
