On Your Mark Get Set.... Row!

The City of Northglenn invites you to join us for a day packed with fun and excitement at our Annual 4th of July celebration! As a part of the celebration, the City invites other elected officials to get their precision rafting teams ready for a raft competition at the 26th Annual Mayor's Cup Raft Race. Again this year, we've invited our neighboring communities to join in the patriotic competition and a whole lot of fun!

It's a race against time. You can expect to see elected officials from Commerce City, Broomfield, Thornton, and Northglenn as they compete to claim VICTORY in the name of their government entity. These four-member teams are polishing up their precision raft skills and strategically planning to paddle their four-person raft in the race of time.

The racecourse starts at the boat dock located on the southwest corner of Webster Lake. Rafters will paddle their rafts across the lake, around the big Firecracker in the lake, and then back to the boat dock. The raft race will start at 11:30 a.m. sharp on Monday, July 4th at E.B. Rains Park/Webster Lake located directly west of Northglenn City Hall (11701 Community Center Drive.)

Don't miss the chance to see your elected officials in action at the 26th Annual Mayor's Cup Raft Race!
