

CITY OF NORTHGLENN

**RFP 2020-004
2020 WASTE WATER TREATMENT PLANT
MASTER PLAN UPDATE**

ADDENDUM NO. 1
DATED: March 5, 2020

TO: BIDDERS

The following adds to, supplements, amends or clarifies by way of explanation, portions of the Contract Documents, Specifications, or Drawings for the above-named solicitation.

NOTE: It will be the responsibility of the Bidder to acknowledge receipt of this addendum as part of his/her submitted bid. Failure to do so will be grounds for the City to view the bid as non-responsive.

The Invitation for Bid is hereby modified by the following items:

QUESTIONS AND ANSWERS:

- 1. A question was received about negotiating terms and conditions of the indemnification section of the City' standard agreement.*
The policy for negotiating any changes to the standard agreement is that we will present any requests to the City Attorney after a preferred consultant has been selected.
- 2. Could we get copies of all studies and reports that have been completed after the approved 2012 Wastewater Utility Plan such as Site Application Preliminary Engineering Reports, Process Design Reports, etc.?*
Northglenn does not have other studies or reports to share at this time.
- 3. Could we get a copy of the CDPS effective January 1, 2020?*
A copy of the publically available permit is available to anyone who would like to review it by making an email request to the City Project Manager.
- 4. Could we get the last 3 years of influent and effluent data: Flow, BOD5, TSS, ammonia or TKN, Total Inorganic Nitrogen and Total Phosphorus?*
Influent and effluent flow data will be made available to the selected consultant after this project is awarded.
