

STOP THE SPREAD

COVID-19 PREVENTION

Even with the move to Safer-At-Home advisories and the opening of some businesses, it is still crucial that you take measures to stop COVID-19's spread.

Stay in Place

Maintain Your Space (6 Feet)

Cover Your Face

Bandana

Neck Gaiter

Home Made

N95

Surgical Mask

Medical masks are in short supply and needed by first responders and health care professionals.

To prevent shortages, please don't buy them.
