NEWS RELEASE

Aug. 27, 2019

For Immediate Release

Road Work for Melody Drive Replacement of Asphalt, Water Valves

Northglenn, CO – Melody Drive south of 104th Avenue in Northglenn will undergo construction starting the last week of August and running through the end of September.

At times, traffic will be limited to one lane, so motorists should be prepared for slower traffic.

The project starts in late August with the replacement of water valves near 104th Avenue and Monterey Circle. This will help with the isolation of the water line in case of a disruption.

Crews will remove the speed humps from Melody Drive during the first week of September. Through the rest of September, the entire stretch of road will have a mill and overlay. This means the top layer of asphalt will be removed and a new layer placed on top. Afterward, the road will be re-striped.

Any questions or concerns may be sent through the Access Northglenn app or by calling 303-450-8835.

Northglenn, Colo., celebrating its 50th Anniversary in 2019, is a city of 38,905 residents that is located 13 miles north of downtown Denver. In the heart of the metro area, Northglenn is a place to call home and a forward-thinking community where businesses can thrive. Learn more by visiting northglenn.org.
