Harkins Theatres to Construct New Luxury Megaplex at Northglenn Marketplace

Harkins Theatres plans to open a new 12-screen luxury movie theater at the Northglenn Marketplace in late 2020.

This is the catalyst to revitalize and re-energize the center. The brand new 55,000 square-foot theater will be located on the northern end of the center in the area presently occupied by Bed Bath and Beyond.

Bed Bath and Beyond has signed a lease to relocate to the former 25,100 square-foot Borders building on the east side of the Marketplace. They plan to start interior and exterior improvements and move in by early fall. Once relocated, construction will begin on the theater.
