

Keep Our City Beautiful

■ Help Sought March 19 for Farmers' Highline Canal Clean Up

Looking for a way to get outside, enjoy some great exercise and help out in your community?

The Farmers' Highline Canal and Greenway Trail Clean Up is Saturday, March 19, from 8:30 to 11 a.m.

"I see the difference that it makes after we do it," said Mayor Pro Tem Carol Dodge, Ward 1. "When you drive around the city, it's just spotless, and I know that we came out here and did a really good job."

The city is looking for more than 100 volunteers to help clean canals, trails and parks. Last year, over 325 volunteers helped out. They included scout troops, church and

school groups, and boards and commissions.

"I think people really love the feeling of community," said event coordinator Jenni Murphy. "Northglenn is small and people take a lot of personal pride in keeping their community nice and clean."

Last year the volunteers collected over 300 bags of trash from parks and trails throughout Northglenn – from Fox Run all the way to Northwest Open Space. A lot of large debris was also removed.

Check-in is at the Police Department entrance at City Hall, 11701 Community Center Drive.

Go to www.northglenn.org/canalcleanup to see a video about last year's event!

At 11 a.m., lunch will be provided at E.B. Rains Jr. Memorial Park, 11800 Community Center Drive.

To register, go to www.northglenn.org/recxpress and use code 22336 or call

303-450-8800.

For more information about the event or serving as a crew leader, contact Murphy at 303-450-8904 or jmurphy@northglenn.org.

Parks and Rec Board Valuable for City

■ One Spot Open; Board Meets on Second Thursday of Month

"Northglenn is my home and I am invested in the community. Supporting our city as an active participant keeps our city a place we all want to call home."

— Karen Knuepfer
Two-year member, Parks & Recreation Advisory Board

As a Northglenn resident for 34 years and a longtime city volunteer, when Karen Knuepfer thought about joining the Parks and Recreation Advisory Board, she wondered if she had the experience necessary.

But as a concerned resident, her input into keeping our parks system beautiful and safe for the long term is invaluable.

Resident involvement is an important voice in government, and they are encouraged to join city boards and commissions.

The Parks and Rec Board advises council and staff about plans for city parks, facilities and programs. They also

make recommendations to City Council on contracts and expenditures for projects and hold public hearings for capital improvement projects and recreation services.

The board consists of five residents, one representing each ward and one representing the city at-large. Members serve three-year terms.

The board meets the second Thursday of each month at 5:30 p.m. in City Council Chambers, 11701 Community Center Drive.

For more details, contact Belia Straushein at 303-280-7821 or bstraushein@northglenn.org.
