## NEWS RELEASE

### More Parking, Pavilions for Northwest Open Space

**July 10, 2017** – After three open houses, one on-site meeting, and reaching out to sports leagues and nearby residents, the City of Northglenn has a final concept for the Northwest Open Space Project.

Additions include:

- Permanent restrooms and concessions
- Shaded pavilions
- Concrete trails to replace the asphalt
- More parking

Also, in order to address drainage concerns and allow flexibility for field orientation, some of the hills near the sports fields on the west side of the park will be removed.
