

Community Engagement

Volunteers & Active Citizenry

"Do what you can, with what you have, where you are." ~ Theodore Roosevelt

Neighborhood Beautification

Do you have an eye for a beautiful yard? Each summer, volunteers search the community for particularly spectacular front yards.

Park and Trail Partners

Even if your thumb is less than green, help is still needed to plant and care for flowerbeds or keeping a park or stretch of trail free from trash and debris.

Snow Stormers

Many city residents physically cannot clear their sidewalks when it snows. If you could shovel their snow - whether in the evening or morning - it would make a huge difference.

Neighborhood Watch

Learn how to keep your streets safer from crime and how to be a better neighbor. Northglenn already has a number of Neighborhood Watch programs - join one or start a watch up in your area.

Northglenn Bike Program

Do you have an unused, old or broken bike lying around, collecting dust? We'll fix it up before giving it to a family in the community.

Volunteer Projects

Have a volunteer project in mind, or need to volunteer to fulfill school or other requirements? Give us a call to see how we can help.

Community Events

City events vary in size and theme, but we can always use a smiling face and ready hand to assist with set up and event day activities. Events include the Derby Day, Magic Fest, July 4th Festival, Pirate Fest, Noel Northglenn and more! If you have high energy and excel in organized chaos, this is for you!

Youth Recreation

It takes a lot of effort to put a game together - but your time and commitment pays off. We especially need volunteers for coaching basketball and going on trips.

Senior Center

Support your peers by helping at the information desk, planning parties or providing a friendly face. Your wisdom, experience and joy are welcomed.

Theatre & Cultural Arts

The Northglenn Youth Theatre could use help the night of the show with ticketing or ushering, or behind the curtains with costuming, painting and set construction. If public art is more of your passion, the Northglenn Arts & Humanities Foundation could use help with programs such as the Art on Parade sculpture program.

What gifts of the hands, heart or head would you like to offer? We'd love to talk to you.
