Imagine what a harmonious world it could be if every single person, both young and old, shared a little of what he is good at doing. – Quincy Jones

What gifts of the hands, heart or head would you like to offer? We’d love to talk to you.

Youth Volunteers
Many young people are interested in contributing to their community. Some students need volunteer service to meet school requirements. We welcome youth and families to group work days and self-guided projects.

Parks and Trails
Do you regularly enjoy a park or a segment of the Greenway Trail System? Would you like to “adopt” a flower bed, segment of trail, or a park? You could also participate with half-day park work days to clean up, plant, paint, fix up, etc.

Senior Center
Would you like to support your peers by helping at the information desk, planning parties and cultural events, or fund raising? Your wisdom, experience, and joy of living are welcomed.

Neighborhoods
We know you want your neighborhood to be safe, clean and friendly. There are many ways to get more involved including: Helping neighbors who have physical limitations with their yard work or snow removal, organizing a block party to get to know each other, identifying and recognizing homes that have well-kept and water wise landscaping, or becoming a Neighborhood Watch block captain.

Northglenn Police Department
Your involvement is welcome in fingerprinting and records, helping with the Neighborhood Watch program, assisting victims of crime as an advocate, organizing a National Night Out gathering, and attending the Citizens Police Academy to further your understanding of police functions in Northglenn.

Theatre & Cultural Arts
Are you interested in the arts? Our youth theatre program needs assistance with tickets/programs, ushers, costuming, painting, and set construction. In addition, the Northglenn Arts and Humanities Foundation requests assistance with programs such as Northglenn’s Art on Parade sculpture program.

Administrative Assistance
We value your administrative skills such as word processing, data entry, mailings, desktop publishing, and spreadsheet preparation.

Community Events
Smiling faces and ready hands are needed to assist with event planning and event day activities such as the Kids Fishing Derby, 4th of July, Mother Son Campout, Daddy Daughter Sweetheart Ball, Mudapalooza (mud volleyball tournament), and Noel Northglenn. If you excel in organized chaos and large groups, this is for you!

Youth Recreation
Your time and commitment to youth pays valuable rewards. Volunteers are especially needed to work with our middle school events such as Club 22, after-school recreation, and youth trips and activities. Youth basketball coaches are also needed.

For more information contact Jenni Murphy at 303.450.8904 or jmurphy@northglenn.org.
